All,

Andrew Cockburn alludes to a large campaign, with the involvement of two very large French based multinational hypermarket/supermarket chains, Auchan and Carrefour.....

See what Colin says, but if you can provide the ammunition I'd be happy to respond, I understand there is a much bigger campaign orchestrated here and Auchan and Carrefour are involved too.....

Given the poor quality of the science presented in this higher tier journal, I hope scientist of your caliber and standing may consider penning a joint letter to the Editor focusing on scientific deficiencies and the flawed scientific review process.

URGENT

David,

Have you seen this? I have been asked to comment asap - anything you want to say (Andy too). I note no dose response effect

Colin.
