Subject: SA Presentation for Wednesday- LANCA
Attachments: issues Management- The Seralini Affair LANCA 2-20-2013.pptx; Giles-Eric Seralini- FCT 2012- General Slide set-Ver 10 11-27-2012.pptx

Phil and Lori-

See attached. Happy to make any adjustments or edits if needed, and sorry to be only a few days ahead of the presentation.

Due to formatting issues, I will keep the Seralini slide deck (for discussion use if needed) as a separate document.

I will bring my computer, but assume you will want to use 1 computer for all presentations. I will also bring on a data stick. Feel free to distribute to attendees.

Dan
